Summer Transfers:

Students who transfer during the summer months, outside of the school year are considered ineligible. If the student transfer meets one of the transfer conditions above, they become eligible to participate in practices and tryouts during the 3 weeks prior to the fall season. This form must be completed and submitted to the NBIAA before the student may participate in their first game. In order for the student to continue to be eligible to participate for the regular season beginning the 1st day of school, **all** summer transfers must be approved by the NBIAA.

Transfer students not meeting the above conditions will be ineligible for NBIAA participation according to the By-Law.

Declaration from parent and student: In signing below, I acknowledge that the primary reason for this transfer is for an educational purpose. The transfer is not being made primarily for an athletic purpose or primarily so that the student can participate in athletics for a specific school sports program.
