

NBIAA SHARED ATHLETE FORM

The purpose of allowing student-athletes to participate on a team in need of extra player(s) to maintain their athletic programs, would be to increase the number of student-athletes available from neighboring schools.

- a) "A" schools who are in need of extra player(s) to field a championship team may be eligible to add players from a maximum of two other local school(s) if they meet the following criteria:
 - i. The "A" school does not have a reasonable enough number of players to field a team and has not made any athlete cuts after their own school tryouts.
 - ii. Other local school(s) have players available to play, but were cut from all home school teams, including exhibition teams.
 - iii. Schools with more than 20% of their players from another school may be moved up a classification. Combined school populations may be used to determine the team's classification.
 - b) Schools who are in need of extra player(s) to field an exhibition team may be eligible to add players from a maximum of one or two other local school(s) if they meet the following criteria:
 - i. The schools do not have a reasonable enough number of players to field their own school team and have not made any athlete cuts after their own school tryouts.
 - ii. Other local school(s) have players available to play or who were cut from all home school teams, including exhibition teams.
 - iii. Teams approved may be included in the league schedule, where all games must be played and count in the standings, but they cannot advance beyond league finals.
 - c) iv. The school with the highest percentage of players on the team will participate under that school name.
- * Available for team activities only (baseball, softball, field hockey, soccer, football, cheerleading, hockey, basketball, volleyball and rugby).
 * The shared student-athlete(s) must be approved by the schools' administration, Athletic Directors and the NBIAA.
 * Applications from the sending and receiving school must be submitted to the NBIAA office 5 days prior to the player's list deadline.
 The NBIAA has the right to monitor all shared-athlete teams and if it's being abused, has the right to revoke the team or place a school(s) on suspension or probation.
