We did not run 5-6 place matches. With the individual results, if a team had already received team points from a higher place, I placed their athlete in 6th. Most situations resulted in no change to team points.

A couple of exceptions:

61 KG Boys – Mathis Jean injured out, actual placement is sixth.

65 Kg & 70 KG Boys – OHS had not placed in top four, so their wrestler was placed in fifth.

61 KG Boys – I was told there was a mistake on the bout sheet, the table had crossed off the wrong losing athlete for the bronze medal. I did not get to confirm this with both coaches but adjusted according to the information I was able to get.
